
TITLE**Assistant Town Engineer**

QUALIFICATIONS

The Town of Islip is seeking a qualified individual to assist in engineering functions of the Town. Responsibilities of this position include reviewing construction documents for conformity with applicable codes and regulations for drainage, grading, ADA compliance, parking, roadway profile, roadway geometry, impact protection, lighting and landscaping; reviewing minor and major subdivision maps; preparing plans, specifications and contracts for construction projects; preparing estimates; computing and executing maps for right-of-way taking.

Requirements include a thorough knowledge of the principles and practices of civil engineering; good knowledge of laws and other regulatory enactments controlling public works; a good knowledge of the developments of current literature and sources of information in public works engineering; good knowledge of office administration; ability to supervise the work of subordinate personnel.

Eligible candidate is required, at the time of appointment, to hold a Professional Engineer's License issued by New York State, and maintain such license during employment in this title. Candidate would be hired provisionally through Suffolk County Civil Service. Salary Range \$80,000 - \$90,000 (commensurate with experience)

Interested candidates must forward a cover letter, resume and salary requirements to:

Fax (631) 244-5771 or email Personnel@townofislip-ny.gov The Town of Islip does not discriminate in employment practices of race, creed, color, national origin, sex, age, disability, marital status or arrest records.
